PPIP CORNER DD 2766 Update

If you have recently ordered the DD2766 (The Adult Preventive and Chronic Care Flowsheet, NSN 0102-LF-105-4900) form through Navy Supply channels, you will find out they got printed in an odd way. The forms are still usable, but may be awkward to use. Please be aware of this. We ask for your patience until this error gets corrected and a new batch of forms are printed.
